***Rare Low-set Cavity Brick***

These don't come up often! Here is your chance to buy a renovated 2-3 bedroom, solid cavity brick home just 5 km from the CBD. This rare home ideal for those buyers who hate the old timber properties has been cosmetically rejuvenated. Fresh polished timber floors, new modern kitchen & bathroom, painted inside and with new gutters all the hard work has been done. What a great opportunity to live in an easy low maintenance property such as this, close to the P.A Hospital and new refurbished "Buranda" shopping centre.
